## About Us

We are one of the leading parts suppliers for heavy machinery industry. EA Parts has grown to become one of the leading parts suppliers in Korea with a reputation for providing competitive prices, fast delivery and high-quality products. We serve customers worldwide from our 2,000-square-meter warehouse in Korea, which allows us to provide a high level of customer service. EA Parts works on all kinds of parts including, but not limited to, seal kits, pump and hydraulic parts, excavator parts, breakers and so on.

# Heavy machinery parts supplier

We are one of the leading parts suppliers for heavy machinery industry.

## Benefits of EA Parts services

Accumulated Engineering Background 2 Korean Core Engineering standing by controlling the whole production. Both experience over 20 years in manufacturing undercarriage parts field- fast feedbacks.

Wide Marketing Area America, Japan, Europe, Australia, New Zealand, Africa, South East Asia, over 40 countries around the world.

Strong Supply Chain Unlike other competitors, we are Korean company directly running factory in China. We have strong network and experienced but low-cost labor force in Quanzhou area. Additionally, having core Korean labor force on R&D, we are able to keep our price down low, but maintain high quality.

Developing and Engineering GSK can develop new models within 35 days if samples or drawings are provided.

Wide Range of Models Currently covering from 2Ton ~ 80 Ton models of Undercarriage Parts. We are always ready to develop new model and meet up with our partner's satisfaction.

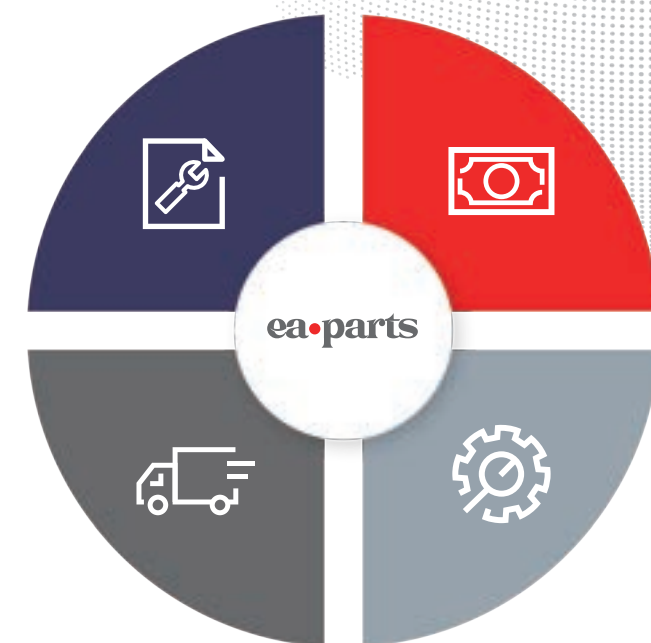

Quality for the Value We know Quality will help us survive and will bring Value for EA PARTS and EA PARTS partners around the world

**Professional Service**  
Our dedicated, professional, and well-trained team provides the best and genuine advice.

**Fast Delivery**  
90%+ parts are shipped within 5 working days for fast delivery

**Best Pricing**  
We offer the best price in the market offering best value products at competitive price.

**Wide Range of Parts**  
We supply a wide range of genuine, oem and aftermarket parts for heavy equipment.

## History

# Sealing Solutions

EA Parts supplies all kinds of seal products

EA Parts is one of the major high quality seal kit suppliers and manufacturers in Korea supplying genuine and oem seal kits for all Korean and Japanese excavators.  
EA Parts is a seal kit manufacturer for HL Mando.
